The collage consists of four screenshots. The top-left screenshot shows a selection of Udemy courses, with 'The Complete 2024 Web Development Bootcamp' by Dr. Angela Yu prominently displayed, featuring a 4.7-star rating and a price of \$1,699,000. The top-right screenshot provides a closer look at this bootcamp, detailing its 10-hour duration, 10 levels, and the technologies covered (HTML, CSS, JavaScript, React, Node, MongoDB, and More). It also lists key features like real-world projects and a 'Add to cart' button. The bottom-left screenshot is titled 'Learning focused on your goals' and lists four benefits: 'Hands-on training' (AI-powered exercises), 'Certification prep' (industry-recognized certifications), 'Insights and analytics' (fast-track goals), and 'Customizable content' (tailored learning paths). The bottom-right screenshot shows the Coderbyte website, which is a platform for technical assessments. It features a dark header with navigation links, a main heading 'Evaluate Candidates Quickly, Affordably, and Accurately', and a 'Start Trial' button.
